Nicole,

I hope you are well this new year. I wanted to reach out and tell Governor Haley how proud I am of her. I attend Mt. Horeb with her family and was so proud that Pastor Jeff prayed and blessed her on this new journey. I too pray for her and her family and pray that she will continue to be the bright light and great witness she's been for South Carolina and just folks in general. I've meant 100 times to write her an email and her speech reminded me again. Her words last night were gracious, humble and elegant. I feel I know her though we've never really talked but we share many mutual friends in the Governor's Grant/Lexington home area. Please convey my thoughts, well wishes and prayers to her.

If I may ever be of assistance to you, please don't hesitate to contact me. I appreciate your job for our Governor. Thank you and have a wonderful day!
