

Dear Representative,

2/17/2015

I am writing this letter praying that the desk of your office could help me receive my inheritance money that I was legally entitled to from my grandparents, Mr. & Mrs. Victor Eugene Foster of Gaffney, S.C. 29341.

My name is Crystal J. Ramsey, I am a 47 year old single mom with a small income at the present. I was a legal heir named in my grandparents will, my grandmother Louise H. Foster died 4/88, my grandfather Victor E. Foster died 3/09.

They were married 67 yrs, their son Randy L. Foster, my father was killed in 4/84, so when they revised their will in 4/2002 they named me as an heir.

They had over 7 acres of land with a brick house, and both had bank accounts for a total of \$33,000.00, Victor also had an annuity over \$25,000.00, along with a house of personal property.

They had 4 living children upon their death, 6 total, 2 were predeceased.

I hired attorney Ken Anathy in 1/2010, paid him \$1,000.00 to ensure that I would not be cheating of any remaining funds of the sale of property. He assured me they could not cheat me. One week before our probate hearing Anathy stated he would not offer his services returning \$400.00, keeping \$600.00, he had not performed any service to me, besides a few phone calls.

I had received about \$2,800.00 so far from my aunt, never receiving any information concerning anything, I went to probate ~~in~~ to check on the status. Frank Price of probate stated for me to get an attorney, to which I had not received any help from Atty I pd \$4,000.00

The property was sold in August 2010, I was to meet family at Winter Rhinok Atty office in Gaffney.
Property sold for \$126,000.00, Pat Smiley of WIR gave me a check for \$2,293.00, Each of us was to receive \$21,000.00, Smiley told me they had paid 2 debts I owed of \$18,500.00. I was told to leave, I never agreed to anyone receiving my money or authorized any debts to be paid.

I beg you to please help me & my children receive my inheritance proceeds. I was needing my money and I was legally entitled to it.

Please help me or direct me to someone that can. They legally cannot do what they dare, I have no more \$ for another lawyer and they know this, I have none on my side.

Thank you,

Cheryl L. Ramsey
