I asked – they said to contact Major Hancock, who runs State House security for the Bureau of Protective Services. All I have is this email address: jdhancock@schp.org

If that doesn't work, let me know, and I'll poke around some more. Thanks.

Christian:

I've got an operational question. We have worked with Mackenzie Ricard of PRT to get the auditorium in the State House for a viewing of the reading documentary. We've also spoken with Shoranda in General Services. But we are having problems finding out who in Transport Police we need to talk to show the film. With the State House tours, we can only show the film after hours. We are thinking of doing it between 5 and 6:30 on Tuesday, April 8. We are inviting the Governor, the EOC members, the individuals in the film and the press to the event.

Do you or anyone in the Governor's Office know who we need to talk to about getting security there for after hours?

Thanks!
Melanie
