Dear Rep. Smith,

Katherine Veldran passed along the invitation below. Thank you for thinking of Governor Haley to participate in the upcoming Diabetes Awareness events in Columbia. Governor Haley appreciates your consideration, but regrettably the Governor's tight schedule will not permit for her to attend the events on March 18th or March 20th. Thank you for thinking of the Governor, and best wishes on a successful fundraiser and press conference at the end of the month.

Take Care,  
Nicole

Katherine, this is to follow up on our conversation last night concerning the Diabetes Awareness at the State House.

On Tuesday, March 18th, we will again this year kick off the week with the Celebrity Waiter event at the Blue Marlin. This event will start at 5:00 PM and end at 10:00 PM. This event is not only to kick off the weeks event, but, to bring awareness and raise funds for diabetes.

In Thursday, March 20th, we will have Diabetes Day Under the Dome. On this date there will be diabetes testing and counseling as well as a press conference at 10:00 AM.

It would be a big boost to our efforts to bring awareness and enhance our efforts to raise funds for the cause if the Governor could participate in some way.

Thank you for your help with this, and I look forward to the response.

With kind personal regards,

Garry
