It's a new day --- especially for these baby yellow-bellied slider turtles! With the help of some park guests at Sesqui, these babies were relocated from a high traffic area to a quieter place near the park lake. Good luck little fellas! 🐢🐢🐢🐢🐢 P.S. A ranger hat doubles as a bucket in a pinch!

**Patty Manley Baucom** Martina Chymist Bump I am sure Caroline would like to see this. :0)

**Roger William Burrows** That's neat ! I used to catch them that size when I was little and raise them until they got too large. They used to sell them in pet shops but no one knew how care for them.

**Jill A Dugaw** I tried to get a river slider (big one) out of the road, but he was seriously grouchy... 😞
