

RESOLUTION OF THE  
SOUTH CAROLINA COMMISSION ON HIGHER EDUCATION  
IN MEMORY OF  
ROBERT ALAN DAY

The Commission on Higher Education marks with regret the recent death of one its most respected and distinguished staff members.

A Coordinator of Academic Programs, Bob Day had lead responsibility for medical and health affairs issues and for the nursing articulation agreements.

He served with great dignity and tact as member of a number of regional and statewide gerontological and sociological associations.

As a public employee, his statements were thoughtful and articulate, his positions prudent and precise, and his advice logical and temperate.

As a member of the Commission's staff from 1988 through 1991, Dr. Robert Alan Day made lasting contributions to higher education in South Carolina.
