Christine Martin Nice video. Would have been better without the mask. You're in great outdoors in fresh air no one around you 😊
at 22:43:16 on 7/14/2020 UTC

Natalie Taylor Argaw Christine Martin If you watched the video, you would've seen that she wasn't wearing it most of the time since she was away from people and she even explains it. Park rangers are required to wear it when around people.
