On Background: Governor Haley and President-elect Trump met today in the President-elect's office at Trump tower.

Chaney,

As you're probably receiving mass amounts of emails at this point, I'd like to get a comment in reference to a tweet made by Morning Joe host Joe Scarborough that reads "Sources tell me Donald Trump is now considering Governor Nikki Haley for Secretary of State."

My questions are:

- Is she aware of the tweet?
- Has she been asked to consider being named Secretary of State?
- If she has been asked, is it something she is considering?

Thank you so much for your time,
