Go to home at 7 p.m.:

Dear Les, I had
to write to you for help with getting
my insurance (S.E. insurance) straightened
out and disability payments, that
were ~~owed~~ ^{due} to me.

I am, once again, experiencing these same problems. ~~For~~ I am having difficulty getting a doctor to accept the new blue cross medical, and I'm having problems with my SS1 payments fluctuating constantly. They have also cancelled the check that I drew from my husband's disability, as one of his dependents, which you helped me to get started several years ago.

Can help ~~that~~ ~~as~~ ~~important~~ that you could offer, in assisting me with this situation, would be greatly appreciated. Thank you so much in advance.

Shirley M. Lynch-Bate
