Personally appeared before me a Notary Public of South Carolina Victoria Young, who being duly sworn, deposes and says: that she is the mother of a child born February 4, 1928, birth record #120/299 in the Charleston Health Department: That the midwife, Lucy Brown, duly reported this record but failed to give the child's full name and that this should appear on the record as HAROLD HARRY YOUNG instead of Harry Young and that this mother's maiden name should be recorded as VICTORIA FORD instead of Victoria Scriven: that she wishes these corrections to appear on the original record and that the above is a true and correct statement of fact.
