

Mr. Donald Trump, President-elect of the United States  
275 5<sup>th</sup> Avenue  
New York, N.Y. 10022

Miss Nikki Haley, Governor of South Carolina  
12005 Pendleton Street  
Columbia, So. Carolina. 29201.

Dear President Trump and dear Gov. Haley:

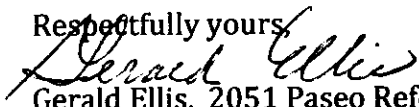

Please allow me this letter to express my support for you. Anyone in your shoes would find the going up-hill. If you speak well of Russia the political world in The States will find a way to hit you. If Gov. Haley is the subject the political opposition will say that she has no foreign or diplomatic experience. These comments are senseless and incorrect.

I completed a major in Geology at NYU in 1955 and after taking graduate courses in Mining and Geology at NYU and Columbia School of Mines I worked in Zuni, NM, on the Zuni Indian Reservation, and in Butte, Montana (the richest Hill on Earth), Saskatchewan Pre-Cambrian Shield (Canadian Bush), the White Hills ghost town in Arizona ( famous bonanza silver mines in the late 1800's), the Darien jungles of Panama where gold was discovered by the Spanish miners in the 1540 era and later mined by the Darien Gold Mines of London in 1870; geologist for UTEX in Honduras; Eastern Andes Exploration in Peru, at the San Vicente mine, and later at the Chorolque-Tazna-Potosi mines as geologist for the Inter -Am. Dev. Bank in Bolivia. Later, I worked at the Falconbridge Dominicana nickel laterite deposits in the DR. Years later I worked as consulting geologist in Algeria at the SONAREM mines (Societe Nationale des Recherches et Exploitations Minieres). And finally, as Director General Mines in the Dom. Rep. for several presidents, Bosch, Balaguer).

~~Before~~ Before all this I graduated from NYU as a pre-med student and then studied during two years at the Fribourg University Medical School, Switzerland. I gave up medical studies, worked at the UN in NY, and eventually returned to NYU to study geology.

I supported you, President Trump, because my physician sons here favored you. We support your manner of dealing with people and because your family is also Presidential. And I support Nikki Haley because she is beautiful, most competent, and has a warm, winning smile. If you ever need me to assist you at the UN, if you need a few days to attend to personal affairs, I speak several languages, having served at the UN as Meetings Officer, and at the State Dept. as Escort Interpreter. I became 90 yesterday, December 25<sup>th</sup>, but have good health and strength.

Respectfully yours,
