Amy – several weeks ago Ric Luber contacted Sen. Courson and Sen. Peeler about having the State House open more than one Saturday a month. Sen. Peeler asked that he come before the State House Committee and make a formal request. So we have scheduled a State House Committee meeting for Wednesday, October 16<sup>th</sup> at 2:00 in room 209 of the Gressette building. I've attached a copy of the agenda – and you will see that Ric is on there.

After he makes his request – we are sure that someone will ask PRT's opinion. So – that's why I'm emailing you! Are you available – or someone else for your agency – to come and be ready to answer questions?

If you have any questions – just let me know!

Thanks!
