Hi Tony! It appears as if Brandy will not be available to meet on Tuesday. Please check your schedule and let me know another date/time that you are available.

THANKS!

Trina,

I saw the meeting request dated for Tuesday at 10:30am. I just got a case that came in today. I have interviews set up Tuesday 9/2/13 from 10:00 am until lunch. I will not be able to meet at that time. Please let me know if there is another day or time that would work for you and Toni. Thank you again for your follow up on our conversation yesterday.

Have a great weekend,

Brandy
