Subject: LAC Review of DSS- Adult Protective Services

Good Afternoon,

While I had glanced through the LAC review of DSS - Adult Protective services, I have now gone through the entire review. They have made many recommendations that I could benefit vulnerable adults and their loved ones. That being said, and I know I'm about to preach to the choir, some of the recommendations that would directly impact the Office on Aging and more specifically the Ombudsman will need to be carefully monitored. We have previously discussed the impact that changes to Title 43 Chapter 35 could have and the need for them to be carefully crafted where they touch on the Ombudsman. I am certain that you are already monitoring any potential changes but please let me know if and how I can help.

Best Regards,
