We LOVE to showcase our park visitors! This is Byron McAlister who enjoys cycling. This particular ride was 58 miles round trip from Furman University to Table Rock State Park. The ride consisted of about 150 people and was sponsored by the Greenville Spinners Bicycle Club. Byron says SC State Parks are great destinations for cycling! Thanks for sharing! You too can share your photos of you and your family & friends enjoying state parks. Post them on our page or email them to [gdavenport@scprt.com](mailto:gdavenport@scprt.com)

**Art Eats Bakery** We are so lucky to live in the upstate.
