No wonder....that is an old email address that he doesn't receive emails to any longer. You can use this senate address and I'll be sure he receives everything! Thanks so much for helping to figure out the problem.

This was the email we had on file. Should I send them to both?

Michele and Senator Lourie,
Good morning. I've personally checked and joellourie@scsenate.gov is now on the email distribution list. I will follow up with you on the next couple emails I send out to make sure they are received. Again, I apologize for the miscommunication.
Please let me know if you need anything else.
Thank you,
Katherine

Katherine,
I left you a message but wanted to follow up with another email. Senator Lourie still has not been added to your email distribution list for important legislative information you send out. He did not receive the report card information sent yesterday.

Please add joellourie@scsenate.gov to your list. If there is a problem and for some reason he should not be receiving the same information other legislators get, please let me know.

Thank you,

Michele Neal
