The Honorable Nikki R. Haley  
Office of the Governor  
1205 Pendleton St.  
Columbia, SC 29201

4 December 2014

Dear Governor Haley,

I am writing to express my appreciation for your recent action against the President's utterly unlawful executive order on immigration. You know as well as I that it is a grave thing to have absolutely no confidence in an elected official's capacity to lead. It is utterly horrifying when that individual is the leader of the free world. He has shown a consistent disregard for the boundaries of executive authority under the Constitution; this is but another show of contempt for all that our

system of government stands for and an  
unmitigated attack upon our precious  
Gift of Liberty.

I am so thankful that you have  
proven yourself to be a lady of  
upstanding moral conviction and a  
politician who refuses to keep quiet  
and watch our nation crumble. I know  
that you genuinely seek the best for  
our nation and our wonderful state.  
You make me proud to be a South  
Carolinian, for you understand as  
well as I that this is the finest  
state in the union.

I will make mention of you always  
in my prayers, knowing that God  
will continue to richly bless you so  
long as you seek His will and  
hold fast to the truth of His word.  
Thank you for all that you do.

Yours in Christ's Service,

William F. Shepherd
