RE: FOIA request for records

Dear Ms. Curtis:

Pursuant to South Carolina Code of Laws Section 30-4-10 et seq., I am respectfully requesting a copy of the following records of the South Carolina Crime Victim's Ombudsman Office. Please include records of but not limited to:

1. Copies of complaints from crime victims in the Eighth Judicial Circuit lodged against the Eighth Judicial Circuit Solicitor and/or his staff since January 2004
2. Copies of the results of any investigation into these complaints.

I realize the sensitive nature of your records and the need for confidentiality of the names of crime victims. In situations where their names should be kept confidential, you do not have to furnish names but please furnish the nature of the complaint, who they are complaining about (by name), and the results of the investigation.

Should you need any additional information, please do not hesitate to call me at (803) 321-0000 anytime.

Sincerely,

Ronald L. Davenport
