(LADSON) On the above date and time, R/D responded to the gas station at Highway 78 and Von Oshen Road in reference to a stolen vehicle. When R/D arrived, R/D spoke with the victim, Baisden. Baisden stated he parked his 2004 Chevrolet Avalanche truck, WV license plate 3TX955, in a parking space near the door of the store and went inside. Baisden stated when he came back out, his truck was gone. R/D asked him if he had left the vehicle running and he stated he turned the truck off but he did leave the keys in the truck. While the victim attempted to track the I-Phone that was in the truck, R/D viewed the store video. According to the time stamp on the store video, at 2104 hours, a white male with brown hair, wearing a red shirt and either faded black or grey jeans came from the side of the store, walked over to the truck, opened the door and got in, cranked the truck up and drove away. R/D provided the vehicle information to communications to get the vehicle entered into NCIC as stolen. Baisden was finally able to get an address for

The location of the I-Phone that was in the truck. R/D informed communications that the phone was showing to be in the area of 6486 Dorchester Road. Deputies and North Charleston Police responded to the area to attempt to locate the truck. Deputy Heffner located the truck in the mobile home park parked across from lot 35. R/D contacted communications to see if the vehicle had been entered into NCIC and was informed the vehicle was located before being entered.

R/D attempted to get a copy of the store's video but was unable to due to only management access to make copies of videos. R/D escorted Baisden to the location of his truck. Once there, R/D informed Sergeant Droney that someone would need to go to the store while management was there to get a copy of the video. Baisden glanced through the truck to see if anything was missing and stated besides the Burger King food he had just purchased the only other thing he knew was missing was the I-Phone that had been plugged into the charger and his keys. Baisden did not have another key for his truck so he called for a tow truck to have it towed back to his residence.

R/D provided Baisden with the case number for the incident.
