Found this in my junk mail as a follow up for the FristNet call.

Katherine — While I do believe Christian has talked with Deloitte in PA, I do not think that he's had discussion on SC, so we would like to go forward and set call if we can. Local Deloitte folks may have talked with him on other projects in the state, but our focus would be specifically FirstNet.

On the call would be Brett Haan, Principal, Deloitte, the head of their telecommunications practice who leads FirstNet discussions.
