Good morning Bryan,

I am one of the Governor's Commissioners serving on the Archives and History board. I wanted to inform you that I will be attending the Director's budget presentation to the Ways and Means Subcommittee next Wednesday morning, January 16th, and see if you needed to brief me on anything before the meeting. I've already read through the pertinent sections of the Governor's proposed budget. You can reach me by email or my cell number: 803.535.9655. Thanks

Sincerely,
