John Carroll is calling the other three to confirm that they wish to be reappointed, so if they're all interested, then we'll get the clearances and paperwork started. He or I will let you know where things stand as we continue to move along. Thanks.

Christian,

That looks right. I had Martin and Kelso switched, but it's still four folks that will cycle off in June if not reappointed.

Thanks!

This is the list John pulled – Ted and I will talk about the appointments and one of us and/or John Carroll will get back to you. Thanks.
