Subject: Kyodo News request to interview Gov. Haley

Attachments: doc01726220161123172531.pdf

Dear Ms. Adams:

I am writing to you from Kyodo News, which is Japan's largest news wire service with over 30 million subscribers for publication in Japanese, English, Chinese and Korean languages.

With the exciting news announced today that the President-elect has selected Gov. Haley to become the next U.S. Ambassador to the UN we would first like to congratulate her on the post and secondly to request an interview with her about her new posting and what she hopes to bring to the job.

Please see the attached request for us to conduct an interview with her at her earliest convenience at a location that works for her.

Thank you kindly in advance for considering this request. Have a wonderful day and great Thanksgiving.

Best Regards,
Seana K. Magee
