Ms. Edmond,

The list of magazines I requested to sent to the Ridgeland mailroom were the magazines I have already requested address changes on. It takes up to 8 weeks for the changes to be made to the address changes. If the changes I have request are still not totally correct I must put in a new correction.

When a magazine is sent back, it is the **practice of the publisher to stop the subscription**. I have gone to great trouble to make sure the inmates receive these much needed magazine. It was at MY time and expense.

I am sorry that your office would not help me or suggest a reasonable solution to a simple problem.

Respectfully
Katherine Hurst

Good Morning Ms, Hurst,

In regards to your request, forwarding emails from family members is not a practice that is permitted within SCDC. Therefore, I will not forward your email to the staff at Ridgeland CI in regards to John Springer's 294365 magazine subscriptions. Inmate John Springer has the responsibility to inform you of his address change so his subscriptions can be updated in a timely manner. The

proper procedure will be for you to contact all magazine companies and submit a change of address request for inmate John Springer. Please note according to our policy, any publications that have not been changed within our 60 days will be stamped "return to sender" or "undeliverable" and returned to the U.S. Post Office. I hope I have addressed your concern. If you have any additional questions, comments or concerns, please feel free to contact me.

Thanks,

Jessica Edmond
