<MSG>

On May 12th from 3:30 to 7, Pendleton Place will be celebrating 40 years of serving children and families in South Carolina. Our mission is to keep children safe and support families in crisis through prevention, assessment and intervention. We offer programs that protect, equip and heal vulnerable children and families hurt by abuse or neglect. We strengthen these children while rebuilding families because its our goal for each child to have a stable home environment and a bright future.

We cordially invite Governor Haley or a representative from her office to be a part of this celebration and presenting this proclamation.

Thank you in advance for any and all consideration
