Subject: Interview Request

Good afternoon!

I am an anchor and reporter for CBS in Augusta, Ga. We cover 7 counties in South Carolina (McCormick, Saluda, Edgefield, Aiken, Barnwell, Bamberg, and Allendale). Beginning February 1, our material will air on both the CBS and NBC station in our market. We are really interested in scheduling a sit down interview with Governor Haley.

With such an incredibly busy and trying year, we would look back and discuss major news events of the past year: historic flooding, the Charleston church shooting, Walter Scott, etc. We are hoping to make it a pretty in depth piece with a look at the Governor's day to day life, as well, if we can. After the interview, we would love to follow her around with our camera and tag along for the day. She could go about her busy schedule, and we would not interrupt. We would just be a 'fly on the wall' so to speak.

Please let me know if this would be a possibility. Governor Haley is so great about working with the media and keeping her constituents informed. This would be a great opportunity to show our viewers an in depth look at their Governor.

Looking forward to hearing from you.

Laura
