#### Description/Significant Features:

Resource 7908 was built in 1954, according to the Richland County Tax Assessor. Resource 7908 is a two-story, front-gable vernacular house and commercial garage that faces north toward Gamer's Ferry Road. The building is constructed of concrete masonry units with an unclad first story that has two vehicle bays without doors, and a second story with asbestos siding; the front-gable roof has asphalt shingles and rafter tails. There is no apparent entrance to the apartment above, which may have been accessed through the vehicle bays. While the first story has no windows, the second story has original wood, double-hung sash six over-six windows.
