Yes. That's what the process usually is.

I'm confused. I thought Tanger was handling all of the logistics and the Governor would join him in the PSA.

I am working on some potential dates. Let me know if you identify any opportunities. Can you tell me where Steve would need to be if this can happen? We would need to film before the first part of November. Is there a cost associated with airing the PSA?

Mr. Pell,

Governor Haley would be happy to participate in a PSA recognizing Tanger Outlet's partnership with Lowcountry Food Bank. As you can imagine, the Governor's schedule is still pretty fluid right now with much of her focus being on the relief and recovery efforts across the state. We have a videographer on staff who can film the Governor's portion of the PSA and send it to you. Will that work? What date will you need the video by and do you have a script you would like for us to use?

I will be out of the office for much of this afternoon, but I will try to get back to you as soon as I am able.

Thanks,
Nicole
