We will not have an answer for him.

We can say that this bill was amended a number of times, right up until the last day of session and the Governor is working through the last group of bills that were sent to her desk on Monday. We will let him know as soon as the Governor takes action which will be today or tomorrow.

Chaney,

Will the governor be signing or vetoing H. 3670?

If you could find out and let me know this afternoon I'd appreciate it.

Gavin
