Dear Governor Haley:

My name is Avi Berger. I am in the fifth grade at Dixie Canyon Community Charter School in Sherman Oaks, California. I'm doing a state report on you incredible state of South Carolina. I would appreciate any information about the state that you can send me. My report is due near the end of March; any assistance you can provide would be great. I look forward to learning more about the state of South Carolina.

Sincerely,  
Avi Berger
