Subject: Re: A public challenge to skip hoagland and his facts

Yes we have questions for each of these people. Many of these individuals need to be deposed in lawsuits and some will be. The only thing we have interest in is lawsuits, and SC laws being followed with full transparency. We do not care about personal attacks on us, we care about stopping corruption in SC. We have many more corrupt people to add to this list.

-- Governor Nikki Haley- Have proof of her abuse to my wife and I, who donated to her re-election and had tickets to attend a fundraiser. Because she and her HHI Chamber crook donors David Tigges, Bill Miles and Paula Bethea found out I was going to attend and ask her a question about FOIA compliance by the HHI chamber, my wife and I were refused to attend. Even threatened to be arrested. Much more to this story. 100% proven with emails and names.
-- Bill Miles--Crook and thief of public funds 100% proven
-- David Tigges- lying crook lawyer of Bill Miles and HHI chamber 100% proof

-- Charleston CVB President Helen Hill- Liar, crook and thief of public funds 100% can be proven -
-- David Jennings-- Lying crook lawyer 100% proof
-- Paula Bethea- lying crook 100% proven
-- Mayor Lisa Sulka- lying crook 100% proof
-- Terry Finger- Refuses FOIA part of 1st amendment violation and had knowledge of using Town employees to profit a private corporation to harm another.
-- Kim Likins- liar, crook and conflict on HHI town council with chamber DMO contract. Is using public tax monies to pay her lawyers for a private lawsuit.
-- Mayor David Bennett- not a bad guy, weak Mayor - violated the 1st amendment and he is new to area and wants to allow development of Bay Point Island a sanctuary barrier island many oppose.
-- The other five (5) members of the HHI Town Council --4 out of 7 council members are liars, conflicted and disrespected the public comment for chamber DMO contract
-- Greg Alford- crook and robbing funds to pay for a private lawsuit, part of the corrupted chamber contract,
-- Steve Riley- crook and lying Town manager we have to much to list and explain.

-- Island Packet Publisher Sarah Borton (via the alleged "corruption" you claim against her husband)--I did not discover this someone else did. Brett Borton was involved with the Low County Golf Owners Association currently under investigation by us, and now working at USCB and told hired by Jane Upshaw. Bill Miles connected to all this.

-- Blakely Williams of Beaufort Chamber- violated the SC non-profit corp act, refuses FOIA and transparency- was involved with Bill Miles on app and 340k attempt, will not come forward

-- Jim Wegmann of Beaufort Chamber- a crook lawyer who broke the SC non-profit corporation act

-- Ted Pitts of SC Chamber- liar and crook needs to be investigated

-- Sunny Phillips of SC Chamber- liar and crook
