Nikki Haley on WIS - COL (NBC) - Columbia, SC

02/19/2015 05:04:53

WIS News 10 Sunrise (News)

... power companies across the state are preparing for what could be record demand for electricity with all of south carolina under a wind chill advisory. governor nikki haley has called on south carolinians to conserve energy over the next two days. the president of retail operations at sce&g says customers can help by turning off non-essential lights, unplugging things that aren't being used, and more. "don't run your large appliances such as ...
