Vet this request but make sure he understands that, while we often do media avails after these things, the schedule doesn't allow for one on one availability.

Subject: Governor's visit to North Augusta

Hi Brian,
Would it be possible for me to have a short interview (15-20 minutes, tops) with Gov. Haley when she's in North Augusta on Wednesday. I could do it before or after the bill-signing ceremony, whatever's best for her.
Best,

James Folker
