Ok. I also talked to Dawn in his office, and she said she would get the email.

Print this out and I will hand to him...he doesn't check email. I'll get it from you after DOA conference - and pass it along to him.

Good afternoon Senator,

It was great talking to you this morning. Following up on our conversation, we have scheduled the Teacher Forum for the morning of July 11th. I would appreciate you sending me the names and contact information for 5 teachers you would like to invite to the event.

Please let me know if you have any questions or need additional information.

Regards,  
Rachel

Senator Matthews,

I am sorry that I did not get to see you last week in the K-12 education meeting in the Governor's office. During the meeting, the group discussed additional meetings including hosting a small teacher forum where each legislator and the Governor recommend teachers to attend this event. As a follow-up on that conversation, I am asking you for your recommendations for **5 teachers** to attend a teacher forum with this group. We would like to have a variety of teachers from both rural and non-rural schools, different grade levels, and different subject areas including special education. Please keep this in mind as you consider the teachers you would like to invite. I recognize that this is a busy time for you, and I really appreciate your help.

I look forward to working with you and the other members of the K-12 education group.

Warm regards,  
Rachel
