Hi Holly,

Thus far no one from the committee has donated but we'll see what comes in the mail tomorrow. I did have that list from the press release, but I wasn't sure if there were names that you did not make public.

We had a meeting yesterday with Chris Carney of the Hootie and the Blowfish foundation. They have requested to give their funds directly to relief organizations versus the OneSC fund. We are helping guide that process by suggesting organizations but ultimately it is their decision.

Thanks!
Dana

Hi Holly,

That is wonderful news! Heather may be able to speak more to your question, but not that I'm aware of at this point.

Did you share the full advisory list with me so that I can be sure to let you know who contributes?

Thanks!

Dana

Have we received donations from any of the advisory committee members yet? Bob McNair's assistant sent me an e-mail to say that he and his wife will be contributing \$100,000.

Holly,

Between yesterday and today we have received 25 online donations totaling \$9,780. The vast majority of these either referenced the local news, Gov. Haley, or social media as to how they found out about the fund.

I would imaging all of these were as a result of the announcement. Further, I have received three phone calls from organizations looking to make group donations by Christmas that referenced the press conference.

Thanks so much!

Dana
