Governor Haley,

I am asking that you will defend marriage. To alter the meaning of marriage is to alter our entire culture. It is a shame that we are even wasting time over this issue that should not distract you from being able to run our country.

I am also asking that you will support the State Marriage Defense Act. If we no longer value marriage and family, then our country is no longer valuing anything that is at the core of our foundation.

Take a stand to support marriage! Andrea Hawkins
