IDENTIFY the big-ticket topics that will help your campaign get voters' attention. We can help you develop or message for direct mail and digital

marketing.

1. **PROVIDE automated telephone surveys** that equip you to receive voter feedback in near-to-real time.
2. **USE a secure virtual call center** to help your volunteers make hundreds of calls every day to conduct live polls.
3. **ESTABLISH your polling network** that frees up your time for other campaigning duties.
4. **INTERPRET poll results** ensuring data collected is accurate and follows industry standards.

Direct Mail

With your direct mail or digital campaign you will receive Free Voter Data and Free PhoneCalls.

Voter Data enables a campaign to target their message to specific voters. Data can be broken down into very specific markets providing a more targeted message and a more effective outreach campaign.

Voter Data Can Include Lists of Registered Voters:

- By party affiliation and voting history
- Demographics including race, religion, income, ethnicity and more
- Interest Groups and social memberships
- Region, targeted by address
