Arbitrator In-car Video and Body Worn Camera

Capture crystal clear evidence in full HD with the Arbitrator 360 In-car video and the newly introduced Arbitrator Body Worn Camera, providing a complete account of any

Dear Public Safety Official,

Telrepco provides **rugged mobile computing solutions** specializing in new and refurbished Panasonic Toughbooks, vehicle mounting solutions, and related peripherals. We also provide Arbitrator in-car and Body Worn Cameras, Getac ruggedized laptops and tablets, and more!

Telrepco is an **authorized Toughbook warranty repair center**, enabling us to handle any repairs you may need, both in-warranty and out-of-warranty, supporting our customers for the full life of their products and providing a trade-in program when you are ready to refresh your equipment.

Additionally, qualified government agencies can benefit from the availability of our **GSA and CT NASPO contracts** for new and refurbished Panasonic Toughbooks. Call us today to learn more and see if you qualify!

We wanted to take this opportunity to share some of our great deals on rugged computing solutions, as well as industry news and information. For more information, Visit our website at **www.telrepco.com** or call us today at **800-537-0509**.

We look forward to hearing from you!

**Refurbished Toughbook CF-30 & CF-31
3 Year Warranty**

encounter. Paired together, departments are able to take advantage of a unified evidence management system, managing all of your evidence in a single platform.
