South Carolina possesses no better salesperson in highlighting our state's vast resources than Governor Nikki Haley. During her first term, Governor Haley has consistently delivered tangible results for our entire state, both our cities and rural areas. Her focus on these positive results and her first term record is what made her the clear winner in tonight's debate.

"There is no better salesperson for South Carolina, and all our state has to offer, than Governor Haley. During her first term, Governor Haley has delivered results for every part of our state - in our cities and our rural areas - and focusing on that record of results, despite desperate attack after desperate attack from her opponents, is what made her the clear winner in tonight's debate."
