### Questions and Discussions From Caregivers

#### Q: Can low sodium levels cause confusion?

My mother is forgetful, but the confusion started last month. It went away for three weeks and recently came back.

#### Q: Any advice on cutting a jumpy dementia patient's toenails?

We used to take her for a mani-pedi, but last time she wouldn't get out of the car.

#### Q: Dad's Finances: What would you do?

Mom and Dad are financially comfortable, but Dad has no interest in paying for anything that he can get for free, and thus far that has included our services.

#### Q: Why is dementia so painful to the family?

Some days my grandfather thanks me for helping him, and on others he says I put him in prison.

### Unforgettable Memorials

Memorial planning made easy. A final tribute should be as unique as the individual.
