Subject: U.S. District Court (SC): Fourteenth Amendment and Crime Victims' Rights (18 U.S. Code § 3771)

Greetings,

I am writing to ask the U.S. District Court, District of South Carolina to review and dismiss with prejudice Richland County (South Carolina) Probate case 2017MI401026, case 2017MI401404, and case 2017GC4000172, including the court orders for the aforementioned cases.

My request for review and dismissal is based on the rights established under the Fourteenth Amendment of the U.S. Constitution and select U.S. Supreme Court decisions (e.g., Cruzan v. Director, Missouri Department of Health, [88-1503], 497 U.S. 261 [1990] or applicable decisions). Also, the court orders for the aforementioned Richland County cases are based on fraud (false testimonies/evidence) and criminal impersonation (Section 16-17-735 of a South Carolina law) among other crimes. Fraud places the National Crime Information Center and the nation's security posture at risk (42 U.S. Code § 5195c).

Thus, the Richland County involuntary, court-ordered treatment is

*needless (i.e., I am not a person who for the sake of my welfare or the welfare of others or of the community requires involuntary care, treatment, or hospitalization.);

*unreasonable, unconstitutional (e.g., The quality of medical care or service, topics of discussion and questions, methods, exams, tests, etc. disregard my medical history and obstruct the Franconia District/Fairfax County, Virginia police case 2016104-0105.);

*detrimental to my health (e.g., False testimonies/evidence, Richland County Probate Court orders, and the quality of medical care or service equate involuntary manslaughter/criminal negligence, trespass, assault, battery, fraud, unreasonable searches and seizures, etc.); and

*too costly (e.g., The court, through its orders that are based on false testimonies/evidence, impeded or interfered with me earning more than \$400,000 in salary and benefits. I am experiencing crime-related effects, including debt totaling nearly \$80,000 and more than \$44,000 in student loans with Navient and Oklahoma Student Loan Authority.).

Bottom line, the involuntary, court-ordered treatment adds no value and only exists because of domestic terrorism via fraudulent court orders or more crimes. As a victim of domestic terrorism and Franconia District/Fairfax County, Virginia police case 2016104-0105 (18 U.S. Code § 3771), I should at least receive restitution or compensation for losing more than \$400,000 in salary and benefits and crime-related effects such as debt totaling nearly \$80,000. Please act as requested and investigate the criminal pattern or connections occurring on or near the below dates. I am seeking pro bono legal help to prevent assault, battery, and trespass on my life/body and liberty and receive medical care from my neurologist and doctors in Virginia. Thank you for your impartial actions and courteous reply to dpedwards2@juno.com. Have a wonderful Christmas and a happy new year.

Kind regards,

Datrechia P. Edwards

Greetings,

I wish a merry Christmas and a happy new year to everyone. I am a victim of crimes (18 U.S. Code § 3771) that I reported to Franconia District/Fairfax County, Virginia police (case 2016104-0105) on April 13, 2016. I am cooperating with law enforcement, but it appears Richland County (South Carolina) Probate Court is using improperly the U.S. judicial system. Domestic terrorism, fraud (false testimonies/evidence), criminal impersonation, criminal harassment, obstruction of justice, involuntary manslaughter, etc. influence court orders for case 2017MI401026, case 2017MI401404, and case 2017GC4000172. Fraud (false testimonies/evidence) places the National Crime Information Center and the nation's security posture at risk.

I want to prevent the crimes from escalating. However, on December 21, 2017, a Richland County deputy did not deliver the judge's order for case 2017GC4000172 to me in person or via e-mail. Instead, the court-appointed temporary guardian/petitioner delivered the court document to me in person at 126 Wincay Road, Columbia, South Carolina 29223 on December 21st. After which, I called 911 to obtain the local FBI office's telephone number and I discussed the Franconia District police case, South Carolina court orders, and my request for safe housing with Federal authorities via telephone. Per guidance received today, I will continue to contact attorneys for pro bono help, including safe housing.

As I previously stated, I conscientiously object to the court-appointed temporary guardianship and the South Carolina court orders. Per the court-appointed temporary guardian, a pre-arranged (without my consent) doctor's appointment is for January 18, 2018. I respectfully decline to attend the doctor's appointment on January 18, 2018. Again, I contacted Federal authorities and I am seeking pro bono, legal help to cease and desist the South Carolina court orders and to receive medical care from my neurologist and doctors in Virginia.

I ask Federal authorities, Virginia State Police, and/or Franconia District/Fairfax County, Virginia police to investigate the criminal pattern or connections occurring on or near the below dates. Thank you for your consideration and courteous reply to dpedwards2@juno.com.

Kind regards,

Datrecia P. Edwards

Greetings,

I wish you a joyous Christmas and a new year filled with infinite blessings.

I hope South Carolina will dismiss and cease the Richland County Probate Court orders to prevent domestic terrorism. Domestic terrorism is defined as "...acts dangerous to human life that are a violation of the criminal laws of the United States or of any State... (18 U.S. Code § 2331)." The orders for Richland County Probate Court equate domestic terrorism because the orders are based on fraud

(false testimonies/evidence), which places the National Crime Information Center and the nation's security posture at risk. Also, the court orders and individuals who administer the court-ordered treatment disregard my constitutional rights and medical history (i.e., multiple sclerosis and temporary cardiac issues). Public officials, mental health professionals/staff, and persons who aid and abet Richland County Probate Court should be held accountable for committing domestic terrorism, fraud, involuntary manslaughter (Section 16-3-60 of a South Carolina law; 18 U.S. Code § 2332) among other crimes.

Additionally, the involuntary, court-ordered treatment is

*needless (i.e., I am not a person who for the sake of my welfare or the welfare of others or of the community requires involuntary care, treatment, or hospitalization.);

*unreasonable (e.g., The quality of medical care or service, topics of discussion and questions, methods, exams, tests, etc. disregard my medical history and obstruct the Franconia District police case 2016104-0105.);

*detrimental to my health (e.g., False testimonies/evidence, Richland County Probate Court orders, and the quality of medical care or service equate involuntary manslaughter/criminal negligence, trespass, assault, fraud, unreasonable searches and seizures, etc.); and

*too costly (e.g., The court, through its orders that are based on false testimonies/evidence, impeded or interfered with me earning more than \$400,000 in salary and benefits.).

While Federal authorities, Virginia State Police, and/or Franconia District/Fairfax County, Virginia police investigate, please cease immediately the South Carolina court orders for case 2017MI401026, case 2017MI401404, and case 2017GC4000172, including court-ordered appointments for **January 22, 2018** (note the date change from January 23rd to 22nd) at 2:00 p.m. and 3:00 p.m. EST at Richland County Health Department. I am seeking pro bono, legal help, so I can slowly rebuild my life and receive medical care from my neurologist and doctors in Virginia. As a victim of domestic terrorism and Franconia District police case 2016104-0105, I should at least receive restitution or compensation for losing more than \$400,000 in salary and benefits and crime-related effects such as debt totaling nearly \$80,000 and more than \$44,000 in student loans with Navient and Oklahoma Student Loan Authority. Thank you for your consideration and courteous reply to dpedwards2@juno.com. Have a wonderful day.

Kind regards,
