Subject: Message from the Center on Aging

Good Morning,

I've just taken a call from Meredith Breem and the Center on Aging, 843-224-2569. The center is a research center but they are in the process of converting to become a resource center for seniors. Meredith will be reaching out to Danny via email about some coordination she would like to do with our office but in the meantime she wanted to try to arrange for someone to attend the Senior Expo on March 23rd on behalf of the Lieutenant Governor's Office.

Bests, Catherine
