South Carolina State Parks

Kristen Beckham from Dominion Energy presents a \$10,000 check to Park Director, Phil Gaines and SCPRT Director, Duane Parrish, to help improve visitor access to Horseshoe Falls at Musgrove Mill State Historic Site. The trail needs repair and erosion is taking a toll around the falls. Dominion is a strong supporter of South Carolina State Parks! It previously donated funds to Sesquicentennial and sent its work crews out to help us clear our trails at Sesqui. Thank you Dominion!

Rebecca Harper Thanks Dominion Energy!
