Subject: WBT Radio Interview Request - Gov. Haley

Good afternoon Chaney,

Please ask Governor Haley to consider speaking with Keith Larson one weekday morning, this week or next 9/30 to 10/9 on the Keith Larson Show at 10:03 a.m. or 10:33 a.m. or 11:03am for about 7 minutes, regarding politics and life in South Carolina. It would be a first hello on WBT in recent times. As you know, our listeners are all the way to Chester and Columbia.

The studio is 704-333-2643 or 704-333-2644. We're happy to place the call or just have a backup number. We should connect 2 minutes prior to on-air.

I look forward to your reply.

Thank you,

Charles Jenkin
