**Subject:** RE: Questions

---

Katherine,

I was simply looking for, in writing, where it is being stated that ONLY those that filed electronically have to be concerned that their information was compromised. I apologize for any confusion, but this was my only question when we spoke yesterday. You confirmed that this is indeed correct and would be sending me something that had this in writing. That is what I've been waiting for. Thank you for your help, I look forward to hearing from you soon.

Matthew
