Katherine-

I hope you are feeling better. Attached are my comments/adjustments to the plan (there was a date referenced of Monday 12/14 and it is Wednesday). I am looking forward to your feedback. Also, I spoke with David today and sent him two follow up text messages regarding a presentation by DOA today at the K-12 Technology Committee. I would like to review that on Thursday as well as it seems your office may have been told that DOA was working with us, but in fact we were not consulted regarding the actual plan development. Just want to get your thoughts on this for moving forward.

Emily
