Healthcare is about to change .

The Hill Extra: Healthcare

is your leading source for breaking news before the first 100 days.

Good Afternoon,

You're invited to discover *The Hill Extra: Healthcare*.. the daily information service brought to you by The Hill, the most trusted news site in Washington — for the next **30 DAYS FOR FREE**.

More members of Congress get their news from The Hill than any other source. Now find out for FREE why a subscription to *The Hill Extra: Healthcare* is far superior to POLITICO Pro, CQ Roll Call, National Journal and Bloomberg Government.

Thousands of your colleagues and professional peers have signed up for our fast, focused coverage of regulation, policy and hearings. *The Hill Extra: Healthcare* delivers what no one else does **AND does it for a lot less**.

In a race to understand what is happening behind-the-scenes on Capitol Hill, *The Hill Extra: Healthcare* will get it to you first and in a more sophisticated way. Find out:

- *Inside-the-huddle details on the healthcare lobby's scramble, two months out, to prepare for President Donald Trump.*
- *Early alerts on the battles between Congress and the president's regulators.*
- *Key details on state of ObamaCare repeal - including timing, legislative vehicles, policy intricacies, and the impacts on Medicare.*

That's where *The Hill Extra: Healthcare* comes in. While others provide information on a sporadic basis, we provide **faster**, more **incisive** coverage of the important people, legislation, regulatory nuances and alerts. Whether it's key passages from proposed regulation, comments before they are published, the unexpected move of a powerful lobbyist, or the behind-the-scenes ongoing story

of important legislation, ***The Hill Extra: Healthcare*** is on it. We provide true insider coverage of the hearings you care about most. Before, during and after.

Our unparalleled team of reporters is at your side throughout the day with essential updates on the game-changing people and events-making news:

Get actionable intelligence...all day, every day:

- Morning email covering players, news, regulation and policy
- Breaking news alerts and hearing updates directly to your inbox
- Subscriber-only access to healthcare policy, regulation and legislation
- Extensive hearings coverage, including summaries to forward to clients and staff
- Washington Influentials Directory with conversation starters and additional information not found anywhere else, and more!

Don't miss out on getting the information serious decision-makers can't afford to do without...from the fastest-growing and most trusted news site in Washington.
