All,

We have briefed the Governor on the draft EO and the plan for rollout. Barring any issues on Christian's end, we are planning to release the EO via a press release on Wed at 1:00pm.

Haley will work with Brian Flynn to get support and quotes from providers.

KV will put together a list legislators that need to be contacted – which will happen on the day of the release.

David – please run point on drafting the backgrounder with details (who, what, why, etc.) and legal authority which can be used for the legislative and press shops. We'll need an explanation of how our plan from last year is different from this one just as it relates to Babynet, ie. the programmatic vs fiscal agent issue.

FYI – David will also be working on legislative changes we would support along with a longer reauthorization of FS.

Please chime in if I'm missing anything.

All,

David and I met with Christian and Ken Wingate (First Steps Chair) yesterday to talk through the transition of BabyNet from First Steps to HHS. After we receive the final EO from HHS and the Governor approves it, we need to coordinate on rollout process – timing, how, etc. Ken, Christian and our office will also need to give a heads up to appropriate legislators, certain First Steps staff, and FS Board. We all felt it was appropriate to give the heads up the same day as the rollout.

I expect the press office and leg office will need topline and background to share to include legal and policy justification for this transition.

Rob – let us know when you think we should release the EO. I was thinking sometime next week.  
David and Richele – please work with Christian on the topline and backgrounder for press and legislators.  
KV – let us know which legislators/staff you plan to contact. Christian – let us know which legislators you were planning to contact.

Let me know if I'm missing anything.

Thanks,  
Swati
