thewanderbar As a vendor, my favorite is watching the dads walk their daughters down the aisle. We're usually adding the finishing touches to the bar when this happens, getting ready for cocktail hour after the ceremony, but that moment always stops me and makes me tear up!

at 14:23:59 on 12/11/2019 UTC

founders_hall @thewanderbar yes! What a beautiful moment. The dad's always look so proud and are beaming with joy for their girls! ❤️
