Dear Governor Haley,

My name is David Drawdy .I am a business owner in Hampton County and in Barnwell County. I designed a flag that represents unity and equality. In light of all our state has been going through recently with the confederate flag issue and racial issues, I believe that it could represent unity. The flag has the scales of justice on it but yet clearly depicts the cross ,unity ,equality ,one faith ,one Lord, one baptism ,and one race which is the human race. I feel you have taken a stand in favor of these issues and wanted to present you one. Thank you for doing a great job and trying to make a difference in our state.

Respectfully,

David Drawdy
